The information in this publication relates specifically to PCSS made from a particular polycarbonate resin and is not relevant to any similar generic product. No liability is accepted for any loss or damage from the use of this data which is given in good faith, but without commitment, and no warranty is given or implied. Pigment contents within the heat reflective layer is less than eighteen percent. Polycarbonate is a combustible thermoplastic. Avoid exposure to excessive heat or to aromatic solvents. Precautions used to protect other common combustibles should be followed.

Accessories

Polygal Original Accessories - for fast, convenient, easy and safe implementation of architectural designs using Polygal Structural Panels.

Polygal Original Accessories are supplied together with Polygal Structural Panels, so you can get right to work - no unnecessary delays while you wait for glazing system parts to arrive.

Polygal Original Accessories:

- Are specifically designed for use with Polygal structural panels.
- Ensures proper system sealing and load-bearing characteristics.
- Helps you get the job done quickly and safely.

Screws

Cat. No.	Measurement	Suitable for sheet thickness	Description	Image	
				mm	inch
401	1/4 x 1		Self Drilling Screw		
403	1/4 x 1 - 1/4		Self Drilling Screw		
405	1/4 x 1 - 1/2		Self Drilling Screw		
408	1/4 x 2 1/2		Self Drilling Screw		
410	1/4 x 2		Self Drilling Screw		
411*	1/4 x 1		Self Drilling Screw
